## Shoreline Master Program Update

### Project Update- 2<sup>nd</sup> Public Hearing Scheduled

Since the public hearing on the SMP in October, staff and the Planning Commission have been busy working through SMP changes and language clarifications. The Planning Commission will hold another public hearing on March 3, 2010 to consider comments on the changes to the proposed SMP that have been made since the last public hearing. **Any written comments must be received prior to the closing of the public hearing on March 3, 2010.** A draft of the latest SMP proposal, a copy of written comments received, and City responses to comments are all available on the project web page at: [www.shoreline.rentonwa.gov](http://www.shoreline.rentonwa.gov).

### Did you know?

All the review documents are available on the project website. You can receive an email each time the shoreline page is updated by clicking on the “subscribe to page” icon located at the bottom of the main page.

### Upcoming Meetings

The following Planning Commission meetings take place at 6:00 p.m. in the Council Chambers of City Hall:

**March 3, 2010**- 2<sup>nd</sup> Public Hearing on draft SMP  
This is also the deadline for written comments.

**March 17, 2010**- Final Deliberations and Recommendation to City Council

### Project Schedule

Adoption of the SMP has been delayed to allow staff more time to work through clarifying language with key stakeholders. The Planning Commission is scheduled to conclude deliberations in March and forward a recommendation to the City Council. Environmental Review under the State Environmental Policy Act will also be conducted at that time. After City Council approval, the SMP will be forwarded to the Washington State Department of Ecology for review and approval. Ecology’s review and approval process includes conducting additional public hearings.
